

# ANNUAL AIRPORT USERS' CONSULTATION 2017

SO.G.AER. S.p.A., Cagliari Airport management company, has redefined the airport fees for the 2016-2019 period drawing on the provisions of the "**Model for the Regulation of Airport Fees for Airports with Traffic between 3 Million and 5 Million Passengers/Year**" (hereafter referred to as "**Model**") issued by ART.

Moreover Cagliari Airport management company has obtained the certification of the **PRM fee** for year 2017.

In accordance with the provisions of Paragraph 5.2 of the above mentioned "Model", SO.G.AER. S.p.A., Cagliari Airport Management Company has scheduled the Annual Airport Users' Consultation for **25th October 2017** at 11:00AM at the Cagliari Airport Business Centre (2nd floor of the air terminal). All the Users(^) who have operated at Cagliari Airport during 2017 are welcome to the public hearing.

The Annual Users' Consultation is also valid also for the purposes set in Art.19 Comma 2 of the Programme Contract ENAC SOGAER concerning the **PRM fee**.

During the Annual Airport Users' Consultation, Cagliari Airport managing company will illustrate the **Annual Information Document**, which, in accordance with provisions of Paragraph 5.2 of the Model, contains the following information/documentation:

- Progress of investments included in the 4 year plan and the related time schedule
- Variations (positive or negative) of the operating/managing costs that contribute to the definition of fees and charges
- Update/confirmation of annual tariff parameters K and V compared to the values estimated for the Transition Year of the Regulatory Period
- Level of quality and environmental protection indicators recorded in the previous year compared to the target values included in the "Quality and Environmental Protection Plan" for the same year
- Estimated year to date WLUs and Service Units
- Amount of fees calculated for the following year (year 2018)
- Update of the investments time schedule for the remaining years of the Regulatory Period
- Urgent interventions, if any, not included in the 4 year plan, that must be carried out in the remaining years of the Regulatory Period
- Date of call of the Users public hearing
